Patients treated in the NYU Langone Health Faculty Group Practice (FGP) are responsible for paying all applicable out-of-pocket costs associated with their care including copayments, co-insurances and/or deductibles.

The FGP Financial Assistance Program provides discounts for low-income individuals who do not have health insurance or who have exhausted their health insurance benefits and meet certain income guidelines for eligible services. Exclusions to this program include, but are not limited to, non-covered services and elective procedures for patients who are enrolled in insurance plans which providers do not contract with.

To be eligible, a patient must reside in New York State or the state in which the service(s) were provided, and be a US Citizen or legal resident. We will consider applications on a case-by-case basis. This application does not apply to any NYU Langone Health Hospital balances.
